From Shubb to Smart: Reliance Jewels Reimagines

Mumbai, 14th April 2026: Reliance Jewels, one of India's most trusted jewellery brands, ushers in Akshaya Tertiya with a fresh, value-led approach – introducing new gold and diamond collections designed to make festive buying smarter and more accessible. Customers can avail gold jewellery at a flat 9% making charge and diamond jewellery with 99% off on gold value, ensuring they pay primarily for the diamonds – making this a truly compelling, one-of-a-kind festive offer. The offer is valid till April 19, 2026.

This Akshaya Tertiya, customers can choose from a wide range of jewellery including earrings, rings, bangles and chains in gold and diamond. The collection includes everyday favourites like studs, hoops and sleek finger rings, as well as festive styles such as jhumkis, chandbalis, statement necklaces and intricately crafted bangles. With options spanning daily wear to bridal jewellery, the range offers both design variety and strong value for jewellery enthusiasts. Amid on-going gold price volatility and evolving consumer behaviour, Reliance Jewels highlights a key shift – jewellery today is not just a traditional purchase, but a smart and wearable investment. Consumers are increasingly seeking designs that balance emotional value with practical spending. Bringing this thought to life, the brand's festive campaign features a father-daughter moment with critically acclaimed actor Gajraj Rao and Pratibha Ranta of Laapataa Ladies fame. The ad film reflects how younger consumers are reinterpreting traditions with a more informed and value-conscious approach, while staying deeply connected to family values. While Akshaya Tertiya continues to signify shubh buying, Reliance Jewels sharpens its proposition from "Shubh Akshaya Tertiya" to "Smart Akshaya Tertiya". Speaking on the Akshaya Tertiya offerings, Reliance Jewels spokesperson said, "Amid ongoing gold price volatility, consumer behaviour is clearly shifting – today's customers are more informed, value-conscious, and discerning. At Reliance Jewels, we've anchored our approach in this sharp insight by launching a value-led range for Akshaya Tertiya and positioning Reliance Jewels not only as an integral part of tradition, but also as a smart, wearable investment relevant to current times – bringing together 'Shubh' with a more 'Smart' way of celebrating." Customers can explore Reliance Jewels' intricately designed collections at 140+ showrooms across India and online, and avail exciting offers on gold and diamond jewellery.

Villagers in Remote Areas Should Avail Benefits of Government Schemes and Services Through 'Seva Shivirs': Collector Chikara

Jagdalpur. With the objective of ensuring the swift resolution of public grievances and extending the benefits of government schemes to the common people, a 'Seva Shivir' (Service Camp) was organized in Malevahi, under the Erpund Gram Panchayat within the Lohandiguda Development Block. A large number of villagers attended the camp and presented their issues before the respective government departments. Dignitaries present at the event included Chitratok MLA Vinayak Goyal, Janpad Panchayat President Padma Kashyap, former MLA Lachhura Kashyap—along with other public representatives—as well as Collector Akash Chikara, Superintendent of Police Shalabh Sinha, and District Panchayat CEO Prateek Jain. Interacting with the villagers, Collector Akash Chikara stated that, in this now Naxal-free region, these service camps have been organized specifically to ensure that the benefits of all types of government schemes reach every last individual in the villages. He urged the villagers to make full use of these camps to avail themselves of the benefits offered by government initiatives and schemes. He emphasized that the primary objective of such camps is to provide immediate solutions to the problems faced by the common people and to facilitate access to government welfare programs. He engaged in dialogue with the villagers regarding various public welfare schemes, listening attentively to their suggestions and grievances. During the camp, various government departments set up stalls to provide services and facilities to the villagers. The Collector, Superintendent of Police, and District Panchayat CEO inspected all the departmental stalls to take stock of the facilities and services being provided. While officials resolved many issues on the spot, a total of 608 applications were received; 492 of these were resolved immediately at the camp, while the remaining pending applications are slated for speedy resolution in the near future. On this occasion, materials and entitlements were also distributed to the beneficiaries of various government schemes. Officials distributed certificates to 'Lakshmi Didis' (successful women entrepreneurs), caste certificates, brick-making machines to Self-Help Groups (SHGs), KCC cards, financial assistance under the RBC 6-4 provision, appointment letters for 'Kotwars' (village watchmen), new ration cards, financial aid to women's groups from the Forest Department's revolving fund, Ayushman cards, and benefits under the 'Kisan Samman Nidhi' scheme.

A New Dawn on Bastar's Economic Horizon: A Pledge for Global Recognition Resounds at 'Think B' Entrepreneur Meet

Jagdalpur: With the objective of positioning Bastar's latent economic potential on the global map and igniting the flame of entrepreneurship within the local youth, the District Administration's unique initiative—'Think B' (Building Better Bastar)—has ushered in a new revolution. A prestigious Entrepreneur Meet, centered on the special theme "Exploring Bastar's Potential," was organized at the 'Think B' center located within the Girls' Polytechnic College; the event witnessed a remarkable confluence of Bastar's traditional craftsmanship and modern corporate vision. The significance of this event was further bolstered by the presence of renowned national financial expert, Abhinav Khandelwal, who attended as the keynote speaker.

Possessing extensive experience in complex financial domains such as IPO advisory, pre-IPO funding, and private equity, Khandelwal engaged in a direct dialogue with local entrepreneurs. He imparted a crucial lesson to Bastar's emerging startups: how to leverage modern investment techniques to integrate tradi-

Census 2027: Collector Langeh Directs Enumerators and Supervisors to Take Training Seriously

Mahasamund. Under the schedule prescribed by the Office of the Registrar General and Census Commissioner of India, the census in the district will be conducted in two phases. The first phase of Census 2027 will involve House Listing and the enumeration of houses. This phase will comprise a 'Self-Enumeration' period from April 16 to April 30, 2026, followed by the actual House Listing process—conducted digitally through enumerators and supervisors—from May 1 to May 30, 2026, during which house details will be recorded.

In this context, and in accordance with the directives of Collector and Principal Census Officer Vinay Kumar Langeh, training is currently being imparted in three phases to the total of 2,285 enumerators and supervisors appointed across the district's urban local bodies and all tehsils for the purpose of House Listing and enumeration. The first phase of training was conducted from April 14 to April 16, 2026, during which 43 field trainers provided a three-day training program to 745 enumerators and supervisors.

Honoring 'Nari Shakti' (Women's Power): Special Workshop on Safe Motherhood and Health Rights Concludes

Janjgir-Champa. Under the guidance of Collector Janmejy Mahobe, and as part of the 'Beti Bachao, Beti Padhao' (Save the Daughter, Educate the Daughter) scheme, 'National Safe Motherhood Week' is being observed across all project-area Anganwadi centers from April 11 to April 20, 2026.

District Program Officer Anita Agarwal stated that special awareness programs are being organized—specifically at the Bhakrabhabha Anganwadi Center (under the Pamgarh project) and at Center No. 7 in Kuthur village (under the Janjgir project)—with the objective of raising awareness among women regarding their health, safe delivery practices, and their rights.

During the program, emphasis was placed on the importance of institutional delivery; it was highlighted that giving birth in a hospital reduces complications that may arise during delivery and helps in controlling both maternal and infant mortality rates. Regarding prenatal precautions, information was provided on the importance of undergoing at least four antenatal check-ups during pregnancy, the regular intake of iron-folic acid tablets, maintaining a balanced and nutritious diet, and receiving tetanus vaccinations. Furthermore, strong emphasis was placed on feeding the newborn the mother's thick, yellow milk (colostrum) immediately after birth, ensuring the infant's complete vaccination, and providing special care for nursing mothers.

In the context of the PCPNDT Act, supervisors informed the attendees about the 'Pre-Conception and Pre-Natal Diagnostic Techniques Act' as a measure to prevent female feticide. They clarified that sex determination is a legally punishable offense and that strict penalties are prescribed for any violation of this law. Additionally, detailed information was provided regarding the 'Pradhan Mantri Matru Vandana Yojana' (PMMVY), including the financial assistance provided to first-time pregnant women to support their nutrition and rest, the registration process, and the distribution of installments.

Construction of Paved Road from National Highway to School Begins Through Public Participation

Mahasamund. During a 'Jan Chaupal' (public interaction session) held in the village of Beltukri, Collector Vinay Kumar Langeh decided to construct a paved road spanning approximately 3.50 kilometers—connecting the National Highway to the Beltukri School—based on the villagers' demands and under the 'Public Participation Model.' Under the guidance of Collector Langeh, the construction work for this paved road was formally inaugurated today. On this occasion, Collector Langeh instructed the concerned officials and the construction agency to pay special attention to maintaining quality during the road construction process. He emphasized that the road must be built to a high standard of quality, keeping in mind the needs of the general public and, specifically, the school-going children. Ashish Kuldeep, Executive Engineer of the PMGSY (Pradhan Mantri Gram Sadak Yojana), was present at the event. He stated that the work has commenced at a rapid pace and is expected to be completed shortly. Until now, children in the village of Beltukri faced significant difficulties commuting to and from school due to the unpaved nature of the road; the situation became particularly challenging during the rainy season.

Administration Making Every Possible Effort to Accelerate Development Work in Naxal-Free Areas: Collector Chikara

Jagdalpur. On Thursday, Collector Akash Chikara organized a 'Chaupal' (community gathering) in Powell village—a remote settlement located in the Lohandiguda block of Bastar district—to engage in a dialogue with the villagers. To reach this village, situated in a rugged, hilly terrain, Collector Chikara, Superintendent of Police Shalabh Sinha, and District Panchayat CEO Prateek Jain traveled via Barsur in the Dantewada district. Upon their arrival at the village, local women accorded a traditional welcome to Collector Akash Chikara, Superintendent of Police Shalabh Sinha, and District Panchayat CEO Prateek Jain. During the Chaupal, while interacting directly with the villagers, the Collector stated that the entire Bastar division remains a top priority for the government and the administration; consequently, the administration is making every possible effort to accelerate development activities in areas that have been liberated from Naxal influence. He encouraged the villagers to extend their full cooperation in the implementation of initiatives such as the 'Swasth Bastar Abhiyan' (Healthy Bastar Campaign), 'Bastar Munne', and the 'Niyad Nellanar Yojana 2.0', urging them to avail themselves of the benefits offered by these schemes. Furthermore, he gathered information regarding the provision of ration supplies, the process for adding names to ration cards, the issuance of Aadhaar cards, the status of social pensions, the 'Mahtari Vandan Yojana', 'Matritva Vandan Yojana', 'Pradhan Mantri Kisan Samman Nidhi', the Mid-Day Meal scheme in primary schools, the 'Pradhan Mantri Awas Yojana', banking facilities, the status of MGNREGA job cards, the construction of toilets under the 'Swachh Bharat Abhiyan', and the availability of drinking water, education, and healthcare facilities. Superintendent of Police Shalabh Sinha remarked that the administration's outreach itself is fostering development in areas that were previously deprived of progress due to the presence of anti-social elements.

District-Level FLN Training Set to Bring Major Transformation to Schools

Dantewada. The first eight years of a child's life in the district are considered the cornerstone of their holistic development. It is during this crucial phase that their language skills, cognitive abilities, curiosity, sensitivity, moral compass, creativity, and logical reasoning capabilities are nurtured. With these aspects in mind—and in alignment with the National Education Policy (NEP) 2020—a five-day district-level training program on FLN (Foundational Literacy and Numeracy) was organized for the primary level at DIET (District Institute of Education and Training), Dantewada, from April 10 to April 14.

In this regard, District Nodal Officer Sandeep Samant stated that this training is not merely sub-

Bisahn's Livelihood: A 'Dabri' Becomes a New Stepping Stone to Prosperity

Mahasamund. Bisahn, a resident of Paharnadadar village in the Bagbahara block of the district, was once dependent solely on rain-fed agriculture. With this rain-dependent farming, her family could barely make ends meet. Life was a struggle due to limited resources and uncertain income; however, the Agricultural Pond Construction Scheme, launched in 2025, completely transformed the trajectory of her life. The government sanctioned a sum of ₹2,74,999 for the construction of a pond. From this allocation, a beautiful, stepped agricultural pond—locally known as a 'Dabri'—was constructed at a cost of ₹2,49,613. This pond has emerged as an exemplary model of water conservation. Measuring approximately 20x20 meters, this pond has the capacity to store about 894 cubic meters of water, proving to be a true boon for her, even during times of drought. District Panchayat CEO Hemant Nandanwar stated that, during the financial year 2025-26, a total of 501 such 'Livelihood Ponds' were constructed across the district. Bisahn explains that as soon as the pond filled with water, she initiated fish farming alongside her traditional agricultural practices. While she previously relied on a single crop, she has now begun earning additional income by selling fish. This new initiative has led to a significant increase in her annual earnings. Furthermore, having access to a private water source has enabled her to cultivate Rabi crops and vegetables with ease.

Training Program for 'Jal Vahninis' (Water Volunteers) Concluded to Ensure Clean Drinking Water

MCB (VNS): With the objective of ensuring the availability of safe and clean drinking water in the rural areas of the district, the Public Health Engineering Department successfully organized the fourth refresher training program for 'Jal Vahninis' (Water Volunteers) under the Jal Jeevan Mission. The program focused on the subject of Water Quality and Surveillance (FTK). This training was conducted in a phased manner across the Gram Panchayats of Pendri, Bodemuda, Ratanpur, Kochka, Belkamar, Gidhmudi, Lakrapara, Katkona, Mangora, and Udhanapur—all falling under the Khadgawan Development Block—and witnessed the enthusiastic participation of a large number of Jal Vahninis. During the training program, participants were provided with detailed information regarding the entire process of water quality testing using Field Test Kits (FTK). They were familiarized with methods for detecting various chemical and physical elements present in water, identifying established standards, and accurately analyzing test results. Furthermore, they were instructed on how to maintain continuous vigilance over the quality of water sources through regular testing. The program included a detailed discussion on the adverse effects of waterborne diseases—such as diarrhea, typhoid, and cholera—along with information on preventive measures. Experts emphasized that consuming contaminated water can be extremely detrimental to health.
